6<sup>th</sup> September 2018

Dear Parents and Carers,

Welcome to Greenford High if you are new to the school; welcome back if your son or daughter is returning. We have an exciting year ahead, especially with **the opening of our new KS3 building, the** *i-Block*. Work on it is just finishing and, although there are inevitably some snagging issues, it looks like a wonderful place for our younger students to learn in. It should be open by 11<sup>th</sup> September for the new Yr. 7s.

#### **Exam Results**

At GCSE, I'm delighted to say that our students have achieved our best ever results. Our A-A\*\* grades (or their equivalent, levels 7-9) were a record for the school: 35% of grades were at this top level, compared to a national average of 22% (in 2017). 93% achieved a 9-4 level in English (A\*\*-C); 78% in Maths; 84% in Science, with 77% achieving 2 or more Science GCSEs levels 9-4, while in Languages 66% achieved this. Our Yr. 9s took their first GCSE, Religious Education, 2 years ahead of schedule, with nearly 90% achieving levels 9-4 (A\*\*-C) and an incredible 41% achieving levels 9-7 (equivalent to A\*\*, A\* and A grades). At Yr.10, approximately 90% of students who took a language achieved a level 9-4, approximately 30% achieving an A\*\*/A\*/A in Spanish, German, French or Japanese. The progress grade for our Yr.11 students has yet to be determined within the national context, but should be positive enough to put us yet again in the top 200 schools in the UK. Congratulations to our Year 11s and 9s on their achievements, and many thanks to all our staff and parents/carers who worked so hard to help these students to fulfil their potential.

At Post-16, we are thrilled that 240 of our students are off to university – which is another record for us. We are proud of all our students going on to university or apprenticeships, whatever their destination. A special mention for two students: Hanna Stanczyk, heading to Cambridge, and Ria Chatrath, who will be studying at Oxford. These are two of the most prestigious universities in the world, so they are great examples for all our students, showing just what can be achieved, whatever your starting point in life, if you have a positive and determined attitude to your studies. Again, I thank parents for supporting their "children" as well as our staff for preparing them so well.

# Open Evening, Thursday 27th September, 5-8.30pm

Please note that the school has its open evening on the above date. This is for the parents of primary school children in Yr6 who are considering possible secondary schools for their children. I will talk to parents in the assembly hall at 5pm, 6pm and 7pm. We will provide tours, a prospectus and a chance to look around our new Ks3 building, the i-Block, where students will start at GHS in future. Parents and carers of primary children are most welcome. Please note that no parking is available except in the local vicinity; entrance will be via Lady Margaret Rd. As usual, because of the need to prepare the school, students will be sent home on 27<sup>th</sup> September after lunch, at 1.20pm. A number of students will be

invited to return to the school for the evening, to be tour guides or to help in departments. <u>Please also note that Friday 28<sup>th</sup> September is an Inset day when school will be closed for students</u>.

For new parents, please note **our "occasional day" (Friday 30<sup>th</sup> November)** when the school is closed for our traditional mid-winter long weekend, which you need to be aware of. We have placed an occasional day at this point in the year for the last 10 years: it provides some much needed rest for staff and students during the long autumn term and the dark days of winter. We have used all our other Inset days and occasional days already or added them to holidays. **This should help parents in terms of limiting the need for childcare during the course of the year.**

#### **New Smartphone App**

Alongside our new website that launched in the Spring, Greenford High School is now available on the free smartphone app **School News**. This will give you quick access to our latest news, calendar and contact details and also provide push notifications for school events and messages. Search for **School News** in the **App Store**, **Google Play** or **Windows Store** or find further details in the **News** section of our website. You can also join 650 other followers of the school on **Twitter @ghsofficial**.

## Ready, Respect, Safe

Our key school rule is above: three words making one rule. We would be grateful if parents reinforced this at home.

## Ready:

- Prepare your school bag the night before, putting in all the right books and equipment
- Do your homework the day that you receive it
- Read at home very day
- Don't be on time for school, be early
- Limit the time you spend on social media and computer games; make sure you get a good night's sleep
- A smart uniform shows that you are ready to learn

#### Respect

- Politeness at all times smile, say please and thank you
- Hold the door open for others, as we will for you
- Do not defy or argue with teachers
- Respect the environment by cleaning litter
- Respect our neighbours and the community
- At GHS, we do not accept any prejudice, such as racism or sexism

### Safe

• At the end of the school day, go straight home

M. Games

- Inform teachers if you know someone is being bullied or to prevent any conflict
- Be safe online and always inform parents of any issues
- Our <u>Designated Safeguarding Lead is Mrs Grimley</u>, Associate Deputy Head. She is vastly experienced and parents/carers should consult her and/or the website if you have any safeguarding or Child Protection concerns.

I hope the above information is of use to you. We wish our parents, carers and students good health and every success in this new academic year.

Yours sincerely,

M. Cramer Headteacher
