

## **Greenford High School Careers Programme: A Summary**

Miss Soneji, Careers Leader KS3 and KS4

Miss Westcott, Careers and Destinations Lead KS5

### **Careers Education Information, Advice and Guidance Curriculum Statement of Intent**

- To provide a broad, balanced and impartial education in careers and future pathways that empowers students with the knowledge to make informed decisions.
- To embed into the curriculum opportunities for students to develop and use employability skills that will allow them to flourish in the world of work.
- To make links between subject areas and careers education to ensure that students see how their academic studies can link to future study and employment.
- To help students develop into reflective individuals who are empowered to choose their own path through an awareness of their personal qualities and goals.
- To give students the opportunity to grow their own networks and develop their cultural capital through careers activities and events which broaden their horizons.
- To provide comprehensive and accessible careers provision which supports the needs of all students.
- To equip students with the knowledge and skills they need to be fully prepared for their next stage of education whether they choose to go on to university, a college or an apprenticeship.

### **Our Vision**

*Students will leave Greenford High School ready with thorough knowledge of the many paths available to them. They will be informed and enthusiastic about the road ahead with the skills and confidence to continue their journey with success*

### **Programme 2020-21**
