

Greenford

Middlesex

Thursday 4th June 2021

Dear soon to be Greenfordian,

You will all love year seven -especially at Greenford High School because there are all sorts of fun events/days: there is a Christmas party, an end of year party (the house with the most amount of achievement points at the end of the year have an afternoon cinema), there is non-uniform day and Hot chocolate Friday. You won't have any regrets! In GHS (that is short for Greenford High School) there are some amazing lessons: English, Maths, P.E, D.T, computing, Drama, R.E, Art, Science, History and Geography. Also, if you are ever feeling sad, then you can speak to your amazing form tutors- who will do their best to help! You are with them every day for half an hour.

Your teachers are also extremely helpful. They will listen to whatever you have to say and they will help you with your work. There are lots of after school sports clubs: Football, Handball, Netball, Table Tennis and Badminton.

There are lots of challenges at GHS so be ready for them! Also, keep your mind open for the new experiences heading your way. You have to value everyone's opinion- no matter what skin colour they are, religion and remember to respect one another. Always stay positive!

Lastly, I think GHS is a great school so you should be incredibly grateful if you are coming GHS. Also, be warned in GHS the teachers give you quite a lot of homework -so get ready (I always do mine on time- you had better do the same.)

Regards,

David Hazizi (Year 7 pupil)
