Finally , although school is about learning , it is also about trying your best in lessons. Sometimes you may find your work difficult in a particular lesson , but my advice is to raise your hand in the air and a teacher will do the very best to help you . There are so many fun things to do at Greenford High School : lunch times , break time and doing science experiments . Non-school uniform day is when all of the staff members decide that students have been extremely good . Fridays are the best because you get to eat fish and chips with any drink , you may like.If you get chosen , you get to go to hot chocolate Fridays , which means that you have hot chocolate with the head teacher, which is Mrs Pye. Films and pizza for parties are for the students ,who behave well. You get achievement points , if you help a teacher or you are on tasks and never of tasks.

I hope you are ready for year 7 and I am looking forward to seeing all you achieve in september.

Sincerely , Ragavi Srielango
