11<sup>th</sup> February 2022

Dear Parents / Carers,

I wanted to thank you for your support in our inspection this week. I am very proud of all of our students, who were an absolute credit to you and to the school.

We are not able to share details from the inspection until the report is published, which will not be for a number of weeks.

Thank you for your attendance at our various parents' evenings over the last few weeks. I hope that you feel that your child is making progress but if you do have any concerns, and certainly if you were not able to attend parents' evening, then please make contact with your child's Head of Year.

We are expecting all examinations to run as normal this year. Your child may be receiving support with Catch Up provision in school and may also have been given some important work to complete over half term. Students are working exceptionally hard in lessons, but any additional work that they complete at home will also benefit them hugely. You can find details of set work on Show My Homework and Google Classroom.

Finally, we are currently celebrating the fact that we have sent off applications for 272 students to attend university next year. This is a record number of university applications for our school, and we are so proud of all of the students who have worked so hard to reach this point.

I hope that you and your children have a lovely half term.

With my best wishes,

A handwritten signature in black ink, appearing to read 'M Pye'.
