1) Aims of the policy

Greenford High School is committed to providing a secure and safe environment for the development of individuals so that they are morally, socially and academically equipped to take their place as responsible citizens in society. The school strives to offer the best possible curriculum, suited to the needs and aspirations of our students and maximising their learning opportunities.

In this context our Behaviour Policy is governed by our one key rule: **Ready, Respect, Safe.**

Ready

- ❖ Believes that excellent learning can only take place in a positive working environment, normally in lessons that are calm and orderly, an atmosphere that allows teachers to get on with the business of teaching and students the business of learning.
- ❖ Students should be ready for learning, ready for work, ready for school.

Respect

- ❖ Believes that good behaviour is based on respect for each other and for the school as a place of learning. We show this respect through politeness.
- ❖ No student has the right to disrupt the education of others.

Safe

- ❖ Asserts that no student has the right to threaten the wellbeing or safeguarding of others.
- ❖ We will strive to develop in students an awareness of how to be safe – in school, online and in the outside world.

Our behaviour policy is also underpinned by the three-way relationship between students, staff and home. We will strive to communicate with parents/carers to try to establish an active partnership as a key means to aid, support and promote good behaviour.

2) Home-School Agreement

The school's expectations of parents, and its commitment to them, are outlined in the accompanying document, the **Home-School Agreement** to be found below on **Appendices 1 and 2**, depending on what year the student joins the school. All students joining the school are required to sign the **Home-School Agreement**, as are their parents or carers. This agreement is then to be kept in the student's file. The school acknowledges that the vast majority of parents are supportive of the school's aims and that we are fully committed to working in partnership with them.

3) Student Conduct

While following our golden rule *Ready, Respect, Safe* students will be awarded with the following:

- Character points
- Commendations
- Postcards home
- Hot Chocolate Friday
- Student of the Week in Assemblies

- Attendance certificates
- Phone calls home
- Reward prizes

Students receive character points as rewards for good effort in their work or behaviour and for good attendance, and for demonstrating one of the five character strengths. The points are recorded electronically and can be viewed by the student, parent and members of staff to monitor student achievement.

The 5 Character Strengths at Greenford High School are:

- Community
- Courage
- Compassion
- Resilience
- Responsibility

Students will also accumulate Behaviour Points for not following our key school rule. We measure student conduct by deducting their Behaviour Points from their Character Points. Please see **Appendix 3** for a copy of both the **Character and Behaviour Point Tariffs**.

4) Staff Conduct

Staff at Greenford High School will commit to the following when it comes to managing behaviour:

- ❖ That the management of student behaviour is the responsibility of all members of the school community and that this management should be firm, fair, positive, assertive and whenever possible proactive. Staff will work to ensure the de-escalation of incidents wherever possible, especially when student emotions are running high;
- ❖ The value of praise over reprimand but acknowledging the need for the appropriate use of both;
- ❖ The use of PIP and RIP: *Praise in Public; Reprimand in Private*;
- ❖ Staff should try to develop in students a set of values for life, and the courage to live by them, as we are preparing citizens capable of making a valuable contribution to society.

5) Parent/Carer Conduct

As acknowledged above, parents/carers are required to sign the **Home-School Agreement** when their child joins the school.

Where there is a persistent lack of parental cooperation, and this is affecting the child's behaviour, the school will take appropriate action, which may involve outside agencies. We will also take appropriate action against parents/carers that are unreasonably challenging or aggressive in their conduct towards staff.

Pupils will not be discriminated against because of the actions or behaviour of their parents.

6) 3-way relationship

If the golden rule of **Ready, Respect, Safe** is followed, and the three way relationship is working, then this is what we aim to achieve:

- ❖ To foster and encourage good behaviour and to recognise and reward it.
- ❖ To encourage mutual respect between all individuals and groups within school and outside it.
- ❖ To maintain an attractive, stimulating and purposeful working environment.
- ❖ To seek to develop self-disciplined and self-motivated young people who will be encouraged to see learning and their own personal development as life-long activities.
- ❖ To foster a school climate in which individuals think through and accept responsibility for their own actions.
- ❖ To encourage individuals to accept that education in school represents many rights and privileges together with a number of obligations and responsibilities.
- ❖ To make it clear that the support and promotion of good behaviour is applied both in and outside of school.
- ❖ To recognise that each student will have individual circumstances and needs that will influence their conduct, such as an EHC plan, bereavement or Looked After Children status.
- ❖ To ensure that students who may be excluded are not being discriminated against or harassed based on disability, gender, race, class, religion or sexual orientation.
- ❖ All of the above are underpinned by our 5 Character Strengths - these are our 5 fundamental values that are at the root of all that we do as a school.

7) Behaviour Levels

There will be occasions when students do not display the behaviours the school would like to see - at this point, certain sanctions and/or interventions may be deployed, along with the liaison with key members of staff. Please see **Appendix 4** for the levels that certain behaviours may be at.

8) Sanctions and Interventions used to support behaviour

Greenford High School will, at times, feel that it is necessary to impose sanctions or interventions to support behaviour. Sanctions used at school include the following:

- **Behaviour for Learning Pathway**

So that learning in the classroom can be maximised, student conduct needs to be positive and not hinder learning - students are supported in this through the **Behaviour for Learning Pathway**. Please see **Appendix 5** for a record of what happens at each stage of this pathway.

- **Detentions**

Detentions normally last for 15 minutes, 30 minutes or 1 hour at a time. Parents must be notified of all detentions over 15 minutes in length. This will be done by text, email or phone call and may also be followed up with a note in the student's Contact Book. They may take place during break-time

or at the end of the school day. However, students must be allowed to have sufficient time for lunch even if they are given detentions.

Detentions will increase in length of time and severity, according to why they have been given and whether an earlier detention has been missed - please see **Appendix 6** for a table on how detentions are set and the detention schedule.

There are a variety of reasons why detentions are given - please see **Appendix 4** for clarification of this. The reason for a detention will always be communicated to parents/carers. It is also important to note that behaviour outside of the classroom, such as conduct in the playground or lateness to school, may also result in detentions, and possibly more serious sanctions. **Appendix 6** gives clarity on this.

- **Behaviour Reports**

A student may be placed on report to their Form Tutor, Year Team, Learning Mentor, Boys' and Girls' Achievement, or another senior member of staff. This may be an e-report, which appears on registers, or a hand-held card one.

There will be a variety of reasons why a student is placed on report but any decision will be underpinned by supporting the student to improve certain identified behaviours. A student may also be placed on report because of a certain number of Behaviour Points accrued as indicated in the **Behaviour Tariff**.

- **Behaviour Points**

If there are concerns about a student's conduct either in or out of lessons, that student may be given a Behaviour Point, to be recorded on SIMs, the school's information system.

If a certain number of Behaviour Points are accrued, this may lead to further sanctions and interventions - please see the **Behaviour Tariff**.

- **Patrol**

A student may be removed from a lesson by a senior member of staff if their attitude to learning is poor, if they are preventing others from learning and teachers from teaching or their behaviour is dangerous. There are red lines that the school has and if these are crossed, patrol will be called.

Here are the red lines:

- Fighting;
- Positive Handling;
- Swearing at staff;
- Dangerous behaviour that puts staff or students at risk;
- Damage to school property;
- Leaving a lesson without permission;
- Medical Emergency.

Any student removed from a lesson by patrol will have a detention on the same evening for 60 mins with a member of SLT. Parents/carers will be contacted by patrol staff to inform them of the detention.

If a student receives 3 or more Patrols in a week they will incur an Internal Exclusion Day.

- **Community Service**

Students may be given community service for certain sanctions including: damaging school property; theft; jumping queues and persistent lateness. This will be in the form of litter picking or clearing trays in the canteen or any other activity that will benefit the school.

- **Internal Exclusions**

The school runs Internal Exclusions for students in response to poor behaviour as an alternative to Fixed Term Exclusion. The student remains in school, but is removed from lessons. He/she studies in isolation in a supervised room. Parents are notified of this sanction in advance. The day runs from 8.15 to 3:15, with the possibility of students staying later if behaviour is inappropriate.

Not attending or poor behaviour/patrol during an Internal Exclusion could lead to an External Exclusion for 1 day. The procedures to be followed in the Internal Exclusion Room are to be found in **Appendix 7**.

- **Restorative Approaches**

This enables the offender to redress the harm that has been done to a 'victim', and enables all parties with a stake in the outcome to participate fully in the process. This has been used successfully by Year/Pastoral teams to resolve situations that could otherwise have resulted in exclusion. However, this can only work with the consent of all parties.

- **Behaviour outside school**

Pupils' behaviour outside school on school trips, sports fixtures, or work experience placements is subject to the school's behaviour policy. Poor behaviour in such circumstances will be dealt with as if it had taken place in school and the appropriate sanctions given. For behaviour outside school, but not on school business, sanctions may apply to a pupil (including exclusion) if there is a clear link between that behaviour and maintaining good behaviour and discipline among the pupil body as a whole, or if the school feels that the wellbeing or safeguarding of the student body may be compromised by a student's behaviour outside of school.

- **Mentoring**

Depending on the behaviours that are presented, the school may decide to set up sessions with one of our Pastoral Support Workers or a Learning Mentor. Parents/carers will be informed if these 1-1 sessions need to take place.

- **Use of external professionals**

In addition to internal support, there may also be times when the school may make the decision to enlist the support of external agencies to help with behaviour. Again, parents/carers will be informed if this intervention is to take place.

- **Stages of Intervention**

Students who do not improve in their behaviours will move through the Stages of Intervention - please see **Appendix 8** for a table showing what may trigger a student being on each stage, what will happen and the interventions that will be put in place.

- **Exclusions, 1-5 days**

Fixed Term Exclusions (FTEs) lasting between 1-5 days are a response to more serious concerns about poor behaviour and mean that students will work at home during the period of exclusion. The length of the exclusion will reflect the nature of the offence and the student's previous record.

FTEs may also be given due to the number of Behaviour Points accrued, as shown in the Behaviour Tariff.

Parents/carers are required to meet the Headteacher, or her representative, at some point during the exclusion period – before, during or after the completion of this sanction. Due to the serious nature of this sanction, the school will endeavour to not only send a letter home concerning the exclusion, but to speak to the parent/carer as well.

- **Exclusions, over 5 days**

Fixed Term Exclusions of over 5 days are a response to incidents of poor behaviour which are exceptionally serious in nature. From the sixth day of exclusion, the student will continue his/her education at an alternative provision, under supervised conditions.

In some cases, the Headteacher may decide that an exclusion is to be permanent. For further details of this, and for more information on Exclusions generally, please refer to the School's **Exclusions Policy**, available to view online on the school's website.

- **Managed Moves**

In conjunction with the parents and receiving school, a Managed Move to another school may be explored. There is a protocol to be followed if a Managed Move is to be considered and a student is to be put forward for a panel. Please see **Appendix 9** for the **Managed Move Protocol**.

- **Governor Intervention Panel**

On occasion members of the governing body will meet with particular students about whom the school has concerns. This can be for a variety of reasons, and may take place pre or post-fixed term exclusions. A student may meet with the governors on more than one occasion.

9) Searching of students and confiscation of inappropriate items

The School will confiscate mobile phones, headphones and other electronic/digital devices, including smart watches if used inappropriately, as set out in the policy below. The school has zero tolerance of these being used on school site. All other items, for example banned uniform items, will be confiscated and returned at the end of the working day by the teacher. These must be kept safe.

The school will search students without consent if members of staff believe a student is carrying weapons, knives, alcohol, illegal drugs or stolen items. The only exception to this is if a student is carrying a *Kirpan*, for religious reasons, and only if this has been signed for. Searches will only be done by the Senior Leadership Team, Head of Year and Deputy Head of Year, Heads of Department. The Headteacher and authorised members of staff also have the right to search devices, such as mobile phones, if they feel there is good reason to do so. What is then done with the device, and/or the material found on it, is at the discretion of the school, and may involve external agencies, such as the police.

Unless there is a real urgency for this to happen, it will be done by a member of staff of the same sex as the student and it will not be done alone. There should be at least two members of staff present. All details of the search should be recorded on SIMs and the Head of Year informed. This is for the protection of staff.

On occasions, the police will be used to conduct safety sweeps - this is done in liaison with the Safer Schools Officer Team and is a preventative measure. Parents/carers will be informed if their child has been involved in a safety sweep.

10) Mobile Phones

Due to concerns about the disruptive use of mobile phones by students at Greenford High, the Year Teams, Senior Leadership Team and Governors took the decision to ban their use by students. This brings us into line with the vast majority of schools and the Government's views on this issue. We note that a number of students were using mobiles in lessons, which is simply unacceptable. Our policy is now zero tolerance.

Mobile phones, headphones and other electronic/digital devices were banned at Greenford High school from September 2011. This applies to any location on the school premises or grounds, from the gates at the Lady Margaret and Ruislip Rd entrances onwards. If a student is seen with a mobile or headphones, they will be confiscated by the member of staff there and then and be kept by the school for a week. This includes break and lunchtime. Post 16 students are allowed to use their phones in the Common room only. They must understand that this is a privilege due to their senior position within the school. If they use them elsewhere, they will be confiscated.

If a student is seen with a mobile or other electronic/digital devices, members of staff are to ask the student to hand the phone or device over to them. All staff are expected to do this. If a student refuses to hand over a phone then an exclusion will result in the following days.

When the member of staff confiscates the phone they should note the student's name and form group. This is then taken promptly to the Head of Year or Deputy Head of Year. The Head of Year or Deputy Head of Year will put the phone in an envelope with the student's name and form on. This will then go into the Pastoral safe. Please note that the school will not reimburse students and parents for any loss of a phone as they should not have been brought onto the school site in the first place. In addition, the school will not investigate any theft of a mobile from a student.

Confiscated phones will only be returned between 2:30 and 3:30 on a Friday, but all phones will be confiscated for at least 4 days – please see the table below for clarification on when a phone will be returned.

Day confiscated	Day returned
Monday	Friday of same week
Tuesday	Friday of same week
Wednesday	Friday following week
Thursday	Friday following week
Friday	Friday following week

The Year team will contact parents to tell them when the phone is available to be picked up. All information must be noted on SIMs including when and who will be picking up the phone. A letter will also be generated that is sent home with these details on them. A receipt will be given to the child for the phone.

11) Movement to and from school

Students need to ensure that their behaviour to and from school is sensible, safe and that they make their way straight to school and home. In particular, they should not go to the petrol forecourt. Staff have the right to move students on at any stage while they are under our supervision. This includes staff duty periods outside of the school site before and after school.

Electric scooters are not allowed on the school grounds and should be discouraged from being used at all times.

12) Plagiarism

Plagiarism will not be tolerated in any year or in any subject. If there is an incident where a student is suspected of plagiarism, the incident will be thoroughly investigated, and an appropriate sanction may be applied, possibly exclusion. Please see **Appendix 10** for the school's Plagiarism Protocol.

13) Malicious Accusations

If a student is found to have made a malicious accusation against a member of staff, the school will take this very seriously and will sanction the student as appropriate, including the possibility of exclusion.

14) Online Abuse

The school recognises the seriously damaging effect on students, and staff, of all forms of online abuse: malicious and repeated comments, often anonymous, on websites, by text, by email, via Facebook or Twitter etc.

Greenford High will work positively with students to educate them on the dangers of such behaviour and on reporting it immediately. Our exceptional work with *Cyber-mentors* has been recognised nationally. However, parents and students must realise that the school will take appropriate sanctions against any student who is involved in cyberbullying or libelling members of the school community online, including the use of exclusions.

Students must also realise that in forwarding messages from others, such as "Re-tweeting" a message, they are considered, in legal terms, to also be guilty of libel or cyber-bullying.

School to School Managed Move Protocol, September 2021

Managed Moves

A Managed Move is when a student is moved from one school to another for a fresh start. It is done with the knowledge and consent of all the parties involved, and may be suggested and used for a number of reasons.

Aims of the Managed Move Panel:

- To acknowledge that a fresh start may be in the best interests of the student and the school community;
- To ensure transparency, consistency and fairness in the allocation of managed moves across the Local Authority (LA);

- To establish a clear rationale for an improvement in the behaviour of the student at the receiving school;
- To fulfil the duty of care, as outlined in **Exclusion from maintained schools, academies and pupil referral units in England**, September 2017;
- To reduce the number of Permanent Exclusions in the borough;
- To share and showcase best practice in the support of our most vulnerable students.

The role of the Managed Move Panel:

- A managed move should only be carried out with the full knowledge and co-operation of all parties, including the parents and the Local Authority (LA), and in circumstances where it is in the best interests of the student concerned and the school community as a whole;
- A managed move will be arranged, facilitated and tracked through the Managed Move Panel;
- The nature of the information shared at Managed Move Panel is confidential and can be highly sensitive, and as such, must only be shared between the panel and with relevant pastoral leaders, once an allocation is made. This should be done in the time scales stipulated later in this protocol;
- The Managed Move Panel meets once a month, or more frequently if necessary, to discuss those students proposed for a managed move. The school representatives will then discuss each case, and allocate a school, if appropriate;
- The school representatives tend to be senior leaders in Inclusion, but not exclusively. The representative needs to have sufficient authority to act on the behalf of the school at the panel, and should have knowledge of pastoral systems, and, preferably, the students involved;
- The panel will be chaired by a representative from the high schools who are part of the scheme – the length of tenure will be decided by the panel;
- It is acknowledged that the panel does not represent all secondary schools in the borough. There may, therefore, be managed moves that may take place outside of the panel. This is discouraged as it is not in keeping with the ethos of the panel;
- It is also acknowledged that although Ealing Alternative Provision (EAP) is not part of the Managed Move Panel, and, therefore, cannot be named as an allocated school, the meetings will either be held at EAP, after Fair Access Panel (FAP), to ensure some alignment between the mechanisms that deal with the borough's potentially most vulnerable students, or EAP will be kept informed of panel decisions, if not present at the meeting;
- Individual schools will incorporate the role of the Managed Move Panel in their relevant policies, and ensure that their own methods of identification of appropriate students are clearly signposted for their school community;
- As part of this protocol, the Managed Move Panel will keep a record of all managed moves between high schools in the area. The panel will also track the journey of those students discussed and allocated in order to give an accurate picture of how managed moves may impact on behaviour.

Exceptions to a managed move:

- This protocol does not apply to pupils with an EHC Plan, as separate processes govern a change of placement for such students;
- It is acknowledged that there will still be permanent exclusions and that schools will be approached outside of this process to accept students via the SEN team and the Fair Access Protocol;

- As the corporate parent, the LA will see the rights of Looked After Children involved in managed moves as a priority. Where a school is considering a managed move for Looked After Children, the LAC Virtual School must be consulted.

Role of the Headteacher:

- Although managed moves placements are allocated through the panel, the protocol does not seek to put headteachers under any pressure to accept a student;
- If a headteacher considers that a managed move is not in the interests of a student or the school community, a managed move does not need to take place;
- Also, if a headteacher considers that the managed move should not take place for any other reason, this is at the discretion of the head;
- It should be remembered, however, that it is considered good practice to consider a managed move as a response to breaches of the school's behaviour policy.

The role of the Local Authority:

- Where a headteacher decides a managed move is not in the best interests of a student, and the student is later permanently excluded (for another incident), the LA representative may ask at the Governors' Review Meeting whether the headteacher had given any consideration to a managed move as an early intervention strategy;
- A representative from the LA may attend the Managed Move Panel as appropriate;
- The LA is responsible for ensuring that the Managed Move Protocol is in line with any national guidance and/or legal requirements;
- The LA has a role to ensure that the interests and welfare of the students are protected at all times;
- Although it is acknowledged that not all schools in the borough, and on the panel, are LA schools, the LA, however, oversees the panel, as a centralising mechanism. Schools remain responsible for sending information required to the panel and the LA will collate that information.

Process of the Manage Move Panel

1) Identifying students for referral:

- A student may be considered for a managed move and discussed at panel:

If the student has a history of challenging behaviour and other support strategies have not been successful (**Appendix A** should be sent);

If there has been a 'one off' incident which means the student would benefit from a fresh start but which would not lead to permanent exclusion in the absence of a school to school move (**Appendix A** should be sent);

If the relationship between the student and the school / school community has broken down to an irrevocable degree (**Appendix B** should be sent).

2) The decision:

- Once a decision is reached that a student would benefit from a managed move to another school, and parental consent has been obtained, the case should be referred to the Managed Move Panel using the referral form [see **Appendix C**];
- Relevant details of the student's history should be revealed and no attempt made to minimise the nature and extent of the challenge the student may represent;

- If the Managed Move Panel chooses not to place a student, following discussion of the case, **Appendix D** should be sent;
- Please note that information shared on students at panel will be sent securely to the Chair and LA representative, and then between schools, using an appropriate server, where an allocation has taken place. All paper copies of information used in the meetings will be destroyed.

3) **Actions after Panel:**

- Once the Managed Move Panel allocates a school, a meeting should be arranged with the student, his/her parent(s), relevant staff from each school and a representative from the Behaviour & Inclusion Service (if applicable);
- Ideally, the meeting should take place within 7 working days of the date of allocation, and the start date as soon after that as possible;
- The purpose of this meeting should be to:
 - Underline the receiving school's expectations in terms of behaviour;
 - Detail the support to be put in place for the student;
 - Agree practical arrangements such as start date, tutor group, timetable, travel arrangements and uniform;
 - Agree dates of the fortnightly reviews, or at least every 3 weeks;
 - Detail the outcome should the managed move not be successful.
- The agreement found on **Appendix E** should be devised by the **receiving school** and signed by all parties at this meeting;
- If a parent refuses to accept the proposal of a managed move, or declines on the basis of the school that has been allocated, **Appendix F** should be sent.

4) **Trial period of the Managed Move:**

- All managed moves will start on a trial basis;
- Ideally, the trial period will be a complete half-term (6 weeks) and will be reviewed on a fortnightly basis. It is important that these meetings take place, at agreed times between the 2 schools, so that a record of conduct is kept, and a dialogue kept open;
- The date of the final review will be the date on which the decision is made as to whether the move becomes permanent. That review must be within 12 weeks of the agreed start date, the start date ideally being 7 working days from the date on which the Managed Move Panel allocated the **receiving school**;
- In extenuating circumstances, the trial period may extend beyond the 12 weeks, but this must be done through discussion at a review meeting, and with the consent of all the parties involved, as opposed to not following the stages of the protocol;
- Where the managed move is not in relation to an incident that meets the criteria for permanent exclusion, the student is entitled to continue to attend the **home school** whilst arrangements are being made;
- Where the managed move is in relation to an incident that could otherwise have led to permanent exclusion, the home school will need to formalise any time out of school with a fixed-term exclusion 'pending investigation' or make arrangements for the student to remain in school in isolation if appropriate. This is to ensure that the situation does still meet part two of the two-fold test (please see **Appendix G**) in the event that a decision is made to permanently exclude the student instead of proceeding with a managed move;

- Students remain on-roll at the **home school** during the trial period. The **home school** should record the student as 'C' [current single registration]; the **receiving school** records the student as 'S' [subsidiary].
- If a student does not attend the **receiving school**, the **home school** needs to be contacted on that day, as well as normal procedures at the **receiving school** being followed;
- On the date agreed for permanent admission to the **receiving school**, the student will be removed from the register of the **home school** and admitted to the register of the **receiving school** where he/she will enjoy the same rights of tenure to a school place as any other student. Any remaining school records should be transferred to the **receiving school** within 2 weeks of the off-roll date;
- If the trial period at the receiving school is unsuccessful the student will return to the home school.

5) **Termination of a Managed Move**

- It is acknowledged that some Managed Moves may need to be terminated at some stage once the process has started;
- If this is the case, both schools and parents/carers need to be very clear about the reason for the termination;
- A child who has not had a successful Managed Move cannot then join the **receiving school** through another means, either through Fair Access Panel or In-Year Casual Admissions, under the same conditions stipulated by the **Ealing Fair Access Protocol 2019-2020** in point 3.1;
- A letter should be sent by the receiving school to the student's family informing them of the termination and the reasons why - **Appendix H** is an example of a letter that may be sent in these circumstances;
- Each student referred to panel can only undergo one Managed Move that actually commences, regardless of time scale.

Ongoing support:

- During the trial period at the receiving school, an appropriate member of staff from both the home and the receiving school will be jointly responsible for monitoring levels of support and for making the necessary referrals to support services;
- This will be supported by the Behaviour & Inclusion Service Behaviour Consultant, if appropriate;
- As stated earlier, the success and development of placements will also be discussed and monitored by the Managed Move Panel, when it meets;
- Students are identified for and referred to the Managed Move Panel in good faith, and on the understanding that a managed move is in the best interests of that student but not at the detriment to the receiving school's own community.

Funding:

- An established process already exists for the transfer of funds once a student is permanently excluded and later reintegrated to another mainstream school (AWPU/Money following excluded students);
- When a student is subject to a successful managed move, funding will be transferred from the home school to the receiving school in the same way;
- If a managed move becomes unsustainable during the trial period, the student will return to the home school and there will be no transfer of funds between schools.

Logistics of managed moves:

- The home school will keep the student's files, until a student successfully completes a managed move, at which point they will be transferred in the same way as schools would ordinarily transfer student records;
- If there is confidential information on a student that needs to be transferred in order to protect either the student or the receiving school, this will be discussed through liaison between the most appropriate members of staff at both the home and receiving school. This information could pertain to safeguarding, Child Protection, medical issues, work with external agencies, or any other information the home school feels is relevant;
- Although parental preference will be considered, it is in no way determinant of what school the Managed Move Panel may allocate. A second school may be identified at the Managed Move Panel, and this may be offered to families, but only if the reason for declining the first named school is deemed appropriate by panel. The timescale for this process would be decided by the panel, and parents would need to put their reasons for declining the place in writing;
- Currently 11 out of Ealing's 16 secondary schools are represented at the Managed Move Panel. It is recognised that the more schools on panel, the greater the opportunity to help some of our more vulnerable students.

Dear **[Parent's Name]**

As you are aware, the school has tried several strategies to support improvement in **[pupil's name's]** behaviour. In my view, we have reached the stage where **[pupil's name]** would most benefit from a fresh start at another school. In the circumstances, I will be making a referral to the Managed Move Panel; **[pupil's name]** will be discussed at the next panel and a school will be allocated, if appropriate, as part of a 'School to School' Managed Move.

Once you have had the opportunity to consider the offer of a referral to the Managed Move Panel, please complete the form below and return it to us to confirm whether you wish to accept the referral. If the school does not hear from you by **[date]** (*allow 5 school days from the date of this letter*) I will assume you do not wish to consider a managed move. This will mean that we cannot put your child forward for consideration for a fresh start at a new school, which may in turn mean that other interventions need to be used.

If you would like further advice on the managed move process, please contact the Principal Officer or the Support Officer – Behaviour Service and Exclusions on 020 8825 5070.

Appendix D – Letter for non-allocation at panel

DATE

Dear

On **(date)(name)** was discussed at the Managed Move Panel. This is a panel that meets once a month to discuss those students across the Local Authority who the school feels would benefit from a fresh start in a new provision.

The reasons for students being considered for a managed move are varied, and can differ from school to school. The Managed Move Panel considers the merits of each case, and where a child may best be placed. The Managed Move Panel also considers whether a student is suitable for a managed move, which again is based on the merits and circumstances of each case.

Unfortunately in **(name's)** case, the panel did not feel it was appropriate to name an alternative school because **(give reason)**.

We realise this may be disappointing. If, therefore, you have any questions about the process, or how best to move forward, it would be advisable to contact the pastoral lead for **(name)**.

Yours sincerely

School's MM Panel Rep/Inclusion Lead

Appendix E - School to School Managed Move Agreement

This agreement is between:

[name of parent / carer]

[name of young person]

[name of home school]

[name of receiving school]

Having recognised that a fresh start in a new school would be in the best interests of **[pupil's name]**, the head teacher of **[name of home school]** has offered to support a School-to-School Managed Move to **[name of receiving school]**.

The head teacher of **[name of receiving school]** has agreed to temporarily admit **[pupil's name]**, with the decision of permanent admission being dependent upon successful completion of a 6 week trial period.

The purpose of this meeting is to agree:

- The expectations each school has of the pupil in terms of behaviour / attendance, with reference to the receiving school's behaviour policy etc.
- The details of support that will be offered to the pupil.
- Practical arrangements, such as uniform.
- The trial period review meeting dates (*fortnightly during the 6 week trial period*).
- The anticipated trial period end date.

Please insert details of the receiving school's expectations in terms of behaviour and attendance:

Please insert dates:

Trial period start date:	
Date of first review meeting:	
Date of second review meeting:	
Date of final review meeting:	

All parties are reminded that if the placement breaks down during the trial period, for whatever reason, **[pupil's name]** will return to **[name of home school]**.

During the trial period **[name of home school]** should mark the pupil as 'educated off-site and **[name of receiving school]** should register the pupil as present or absent in the usual way.

If the managed move is successful, on the agreed date of permanent admission the pupil will be removed from the register of **[name of home school]** and placed on the register of **[name of receiving school]** where he/she will enjoy the same rights of tenure to a school place as any other pupil, and be subject to the school's behaviour policy in full.

In the event that the pupil does not fully meet expectations during the original trial period, the trial period may be extended but a further agreement should be reached with additional review meeting dates, and the new document signed by all parties.

The entire trial period is not expected to exceed twelve weeks. If **[pupil's name]** behaviour remains unacceptable at the end of the extended trial period, **[pupil's name]** will return to **[name of home school]**.

We the undersigned agree to the arrangements set out above and commit to attending the review meetings as scheduled.

DATE

Dear

I am writing to confirm that you have turned down the Managed Move allocated at Panel held on **(date)**.

Managed moves are offered for a variety of reasons in the hope that a fresh start at a new school will enable our young people to move forward in their academic careers.

As you know, **(Name)** was referred to and discussed at a recent Managed Move Panel and was offered **(school)**. I understand that you have since decided not to accept this offer, for the following reasons, as stipulated in your letter/email dated: **(give reason)**

As you have decided not to accept the managed move, **(name)** will remain on-roll with us, abiding by the same expectations as always, and following the procedures that are already in place in terms of achievement, behaviour and conduct.

If you have any queries, please do not hesitate to contact me.

Yours

School's MM Panel Rep/Inclusion Lead

Appendix G – the two-fold test

The DfE guidance sets out what is known as the two-fold test which is that the head teacher's decision to permanently exclude a pupil must be for either a serious breach OR persistent breaches of the behaviour policy AND that allowing the pupil to remain in school would seriously harm their education or welfare or that of others in the school.

Appendix I – COVID-19 implications for Managed Moves

It has been agreed by the schools on the Managed Move Panel, in discussion with both EAP and the LA, that during periods of school closure, it is not appropriate to manage move students from school to school under this protocol. Once schools reopen, the panel will start its regular meeting cycle, and managed moves will again be discussed.

At the time of any school closure, due to COVID-19, the following was agreed:

- 1) If a MM is already underway, it is paused – the trial period as it was when schools re-open;
- 2) If that child then falls into the category of a 'key student', and is therefore entitled to come to school, for whatever reason, they should continue at the receiving school;
- 3) Any MMs that have not yet started, should not start now – if students fall into 'key student' category, should go to their home school;
- 4) Any initial meetings to discuss MMs may or may not take place, at the discretion of the schools involved.

Appendix 10

Plagiarism Protocol

- Warning to be given at the beginning of the course. Teaching staff to outline protocol based on the course outline and exam boards own protocols. Definition of what plagiarism is to be given to all Level 3 students and information on how to avoid it by subject leaders. A Home School Partnership agreement to be produced by each subject area and signed by all parties concerned- student, school and parent/guardian. The course outline should include the depts. Plagiarism/malpractice policy.

- The First time minor plagiarism is discovered Learning Managers and tutors will be informed. Interview held and protocol explained once again. A

Warning is given and a letter sent home, reminding all parties of the Home school Partnership agreement. DUJ informed and Post 16 Learning Managers inform all teaching staff.

- Second time minor plagiarism is noted or first time a significant piece is handed in for marking/assessment, parents are informed and interviewed by DUJ with Learning Manager or tutor and subject teacher. A reminder is given regarding Home School Partnership agreement and the students place on the course that will be in jeopardy.
- Third time minor plagiarism is noted or second time a significant piece is handed in for assessment the student will go before a Quality Control Panel to include JOH and one other member of SLT. DUJ will provide the evidence that panel will use to consider the case after a period of investigation. Parents will not be invited to attend and a student will be given no more than 15 mins to present their case. A Learning Manager will be present to support the student and take notes.
- More serious cases of Plagiarism will go straight to point 2 or in some cases point 3.
- A final appeal against the panel's decision can be made by parents/guardians on behalf of the student via the school's Head teacher.

Appendix 10

Updates in relation to Covid-19

GHS is committed to providing a secure and safe environment for the development of individuals. Whilst acknowledging the challenge of the current environment, GHS will endeavour to ensure the safety of staff, students and parents/carers through the school's three core rules of - **Ready, Respectful and Safe.**

Social distancing

We will ask staff, students and parents / carers -

- to be **Ready** for social distancing in school. This will include students bringing their own equipment to school and entering and leaving the school site in a safe manner. Students will need to plan their journey to and from school to ensure that they are travelling safely.
- to be **Respectful** of social distancing in school. This will mean students sitting in allocated classrooms and desks. To ensure adequate social distancing, students will be asked to enter and leave the classroom in a certain way and enter the site in a certain way and in allocated groups. Students cannot approach each other and break the 2 metre government recommendation on social distancing when on school premises. Students will be reminded of various health and safety recommendations such as washing hands frequently and avoiding touching their face.
- to ensure we remain **Safe**. These measures will ensure that students, staff and visitors remain safe.

Our guidance for students and staff will be informed by government advice on social distancing - essentially, this will mean remaining a 2 metre distance from one another. It also means that the guidance may need to be updated if government advice changes at any stage.

Due to the nature of the environment we will be strictly monitoring the movement of students around the school site and ask that all students follow the systems and strategies that the school adopts.

Sanctions

If a student fails to respect social distancing within school we will take the following steps:

- If a student deliberately fails to abide by social distancing, they will be sent home on the same day. Parents and carers will be contacted and a meeting with either HoY or SLT will follow, upon the student's return to school;
- If a student consistently and deliberately fails to abide by social distancing, the school will exclude the student for a fixed period of time. Parents and carers will be informed and a meeting will follow with either HoY, SLT or Headteacher upon return to school;
- If a student persists in deliberately failing to abide by social distancing, the school may have to consider a permanent exclusion.

Fighting

As previously stated in the policy, students are warned about the consequences of fighting during assemblies and form time and staff are trained to "positively handle" students if their safety is compromised.

During the Covid-19 pandemic we will provide pastoral support sessions for students focusing upon emotional, social and mental well-being. In the unlikely event that a fight occurs between students in a lesson we would like to ask staff to verbally de-escalate the conflict and call for support via the telephone in each classroom. A member of SLT or Pastoral would then patrol the student from your lesson. If the safety of a student is compromised, staff will use minimal contact, as directed by the government, to de-escalate the situation and allow learning to resume.

A normal investigation would take place and parents / guardians would be informed. The student will be sent home with sanctions to follow in line with the Behaviour Policy for fighting.

Spitting

Students and staff are banned from spitting on the school site. If a student is repeatedly spitting on the school site we will inform parents and carers and follow the usual sanctions in line with the Behaviour Policy.

Attendance

Communication will be sent home to parents / carers and students regarding opening times to allow a staggered entry to the school site.

If a student attends the school on the incorrect day, or, if a student arrives at school when they should not be there we will contact the parents / guardians and ask them to collect the student from the school site or allow permission for the student to make their own way home.

The return of students and staff to an academic environment will be supported through clear and simple routines - these will be implemented and supported by the presence of staff in classrooms, corridors and around the school site.

We thank you for your support during this time.
