Dear Parents / Carers,

As we are nearing the end of term, I am writing with a few bits of information and to also thank you for your support over what has been another successful year. Your children continue to perform exceptionally well in both their academic studies and their wider involvement in the school.

We have enjoyed a wonderful return to lots of events this Summer, and just in the last week or so, we have enjoyed a spectacular 'International Day', a brilliant Sports Day, numerous trips and visits, a return to our annual 'Spelling Bee' competition and a very impressive Creative Arts and DT Exhibition held in school. We will soon be sending out our final 'Community Connect' newsletter of the year, where you will be able to see plenty of photographs and more information on the many wider opportunities that your children have been involved in this term.

Extreme Weather Procedures

You will be aware that the weather is particularly hot at the moment and that next week is predicted to be even hotter. In the event of extreme heat, we have a contingency plan in place which shortens the length of the school day so that it ends at 13:50. If we need to put this in place for next week, I will let you know as soon as possible. Updates will also be on our website.

We have already removed the requirement for students to wear blazers in the heat; we will also remove the requirement to wear ties next week for the final 3 days of school. Can you please ensure that your child comes to school with a water bottle that they are able to refill throughout the school day.
