July 2023

Dear Parent,

We are really pleased that an increasing number of parents are supporting their child's education by regularly making use of our online homework platform – **Show My Homework (SMHW)**.

But it's important that everyone signs up now because we will be using the **Satchel One app** (that includes SMHW) in our communications much more over the next year.

Indeed, you may have already received notifications every time your child receives a Character Point.

This letter provides you with instructions so that you can take a more active role in your child's learning.

SMHW is an online tool that we use to set and monitor homework. Once you have signed up, you can receive mobile phone and/or email notifications of homework that is set for your child and you will be able to see details of the tasks that they have to complete.

*If you already have a working account then you do not to do anything more aside from using your existing login details to regularly check tasks on **Satchel One** and then discuss them with your child.*

However, for those who have not yet accessed the platform, you now need to follow these instructions, using your unique Parent Code which is in the email we sent to you on Tuesday 11/7/23.

1. Go to **satchelone.com/signup** or download and open the **Satchel One app** on your mobile phone;
2. Enter the Parent Code;
3. Follow the on-screen instructions, making sure you use an active email address.

Up to 5 members of the family can use this code, so that more than one parent can sign up and monitor homework. For any issues with signing up, please contact the school on 020 8578 9152 ext. 1201.

I would also be very grateful if you could also check that your child is regularly using the app.

Thank you very much for your support.

Yours sincerely,

Mr Bush
