

10M4 Boys' Achievement Form Newsletter: Term 2

Introduction

10M4 have made an extremely positive start to the academic year so far. Students have been working hard with maths and literacy in form time and managed to come first in the year 10 attendance week for the best group attendance % in the year!

What we have been up to in Term 2

In November, Mr Mantey and I took the boys to the National Hall in Olympia London for a Careers event. There were a wide range of stalls including multiple universities, RAF, Coca-Cola, BT, and many others.

The boys were able to go and talk to and find out more about possible routes of education after year 11, as well as grabbing loads of freebies too!

My favourite 10M4 moments from this year

What Career Live Event

Students with the most Character Points so far this year

- ★ Ridhwan
- ★ Amirhossein
- ★ Qays
- ★ Mohamedali
- ★ Wisdom

Well done to 10M4 who have collected **784 Character Points** as a collective so far this year. The boys above are currently top 5 in the form and have worked really hard to get there. The boys have been put in leagues, and prizes will be given out before Christmas break to those who finish highest. As a result of the forms collective effort, we will also be arranging a rewards trip in the new year.

10M4 have been completing spelling tests on Tuesday to work on common misconceptions and help improve their quality of writing across subjects. On Wednesdays, 6th form A-level maths students have been working with the boys through a range of topics they will need to know for GCSE.

Key dates for 10M4

- Thursday 21st December 2023 – Christmas break!
- Monday 8th January 2024 – Start of Term 3

The boys have been a pleasure to work with so far this year and have started their year 10 journey excellently.

We have many things planned for 2024, including looking around universities, rewards trips and much more!

Enjoy the well-deserved break, and I look forward to what next year has to offer.

Mr Moors
