

Year 11 newsletter

Edition 3 Spring 1

Dear families, I hope this newsletter finds you well.

As we move into the last two weeks before half-term, I would like to remind families that we have the second round of mock exams starting from Monday 21st February.

We now have just **11** school weeks until the first written exams.

This week we have had a few exciting events going on: some students have been having mentoring with an external motivational company, Y12 mentors are being paired up with Y11 students and a reward afternoon.

Weekly attendance:

Attendance last week was: 92.1%- we expect at least 96%.

Well done AGAIN to 11T1 and 11M3 who had nearly 97%.

High Attendance = High Attainment.

Revision tip of the week:

Last week's- symbol revision!
Summarise notes into symbols and try to remember their meanings!

This weeks- Planning ahead!
Students will create a month's timetable in form this week.

Ms John's shout outs:

The following students had the highest levels of progress AND the top attitudes to learning scores.
