Admissions Policy for Post 16 Education (Years 12 & 13) for 2019-20

This policy relates solely to transfers and applications for admission to the sixth form at Greenford High School.

Admission to the sixth form does not guarantee that students will be able to undertake any course of study for which they have expressed a preference.

Places in Year 12 will be awarded in the following order of priority:

1. Pupils who were on roll at Greenford High School at the end of the academic year immediately preceding the proposed date of entry into the Sixth Form;
2. All other applications.

For **all applicants**, admission to the Sixth Form is dependent on the student meeting the specific requirements for his/her proposed level of studies as follows:

Please see below for entry conditions. Parents and students should attend the relevant meetings and presentations at Greenford High beforehand as a condition of acceptance.

Entry Conditions

A Level Courses:

You will need five subjects of Grade B/Level 6 or above and at least levels 6-9 at English Language and Maths.

Subject Leaders will ask applicants to sit subject specific tests in certain subjects, such as Maths, Physics and Chemistry. This is to ensure that a student has the capacity to deal with challenging subjects. Please be aware that other subjects may ask for similar tests.

BTEC Level 3 Courses:

You will need level 5 and above in English Language and Maths plus 3 other subjects at level 5 or above, or a distinction at BTEC Level 2.
