Edition 2 Spring 2

Dear Year 11 Families, We have finally finished the 'Mock 2' season. Students have worked hard, and we all look forward to Mock Results Day on Thursday 27th March. In the morning, there will be an achievement assembly, where students will get their results. Students will then go to bespoke 'break-out' rooms, with members of the Year Team and Senior Leadership Team, where sessions will be held based on their mock results. Students will then return to the hall and have an assembly with the motivational speaker, Action Jackson. Please discuss this important event with your child, and check in on how they are feeling about it.

In the press: Here is a photo from one of our Saturday morning revision sessions. Here we have the Psychology students, 'Brain-Dumping' key concepts before their mock exam. We will be running more of these in April and May.

Weekly Attendance: 11M3 have the highest attendance AGAIN. Well done! We expect at least 95%.
