

Year 11 Newsletter

Edition 3 Spring 2

Dear Year 11 Families, welcome to the final Year 11 newsletter this term. Students have worked hard this term and have been very busy with **Mock exams, Revision sessions, Mock results day and coursework deadlines**. This week, students will have received an A3 **Easter revision planner**, during form time. Please encourage your child to fill this in and stick it somewhere visible. Over Easter, we encourage students to be revising every day, keeping in a routine. Selected students have been invited to attend **Easter revision sessions**, where you would have been emailed their schedule. Students will receive hard copies of these on Thursday in form time. When we come back to school, we have various exams starting, and need 100% attendance from all students up until study leave. I will let you know in the first week back, when that will begin. Thank you for all of your support with your Year 11 child and we look forward to seeing you on Raising Achievement Day on Friday.

In the press: Here is a photo from our Studio 11 provision. Students are welcome Monday to Thursday, 3-4pm. It is a space where Year 11 students can revise, use the laptops and have access to teacher and Post-16 support.

Key Dates:

- **Raising Achievement Day:** Friday 4th April. 10 min appointments.
- **Easter Revision:** Monday 7th- Thursday 11th April (invite only.)
- **First external exam:** Thursday 8th May.
- **Leavers Day:** Thursday 26th June: AM leavers assembly, PM Prom! More details to follow.

Year 11 Newsletter

Edition 3 Spring 2

In the press: Here are some highlights from our Mock Results Day last week. Year 11 started the day with an achievement assembly from Miss Henderson-Barnes (Assistant Headteacher for KS4,) and then they were given their Mock results from their Form tutors.

To ensure the day was as real as possible, students were then sent to bespoke 'break-out' rooms, based on their results. The Year 11 team, Post-16 team and SLT all led sessions based on reflection, immediate planning over the next 4 weeks and then Post-16 options. Students engaged positively in these!

- BEFORE YOUR EXAM
- ✓ Relax and Revise
 - ✓ Eat and Exercise
 - ✓ Ask loads of questions
 - ✓ Direct your mind
 - ✓ Yes attitude

Finally, we had a motivational speaker from FixUp- Jay, who spoke of his journey through Mock Exams and GCSEs, where he inspired students to work harder with the sentence 'Revision is temporary, Results are forever.' He ran two more bespoke workshops for some selected students.
