

Emergency Closure of Greenford High School, including Snow Days

The school's first priority is to be always open for students. In the event of snow, please assume that we are open but check on the school website and the school twitter feed. We will only close, as a last resort, for two reasons:

- **To ensure the safety and welfare of our students** and the whole school community in the event of extreme weather conditions, fire, flooding, the spread of illness (as advised by the government), heating failure or an inability to provide food and water.
- To ensure that we have **sufficient staff to properly supervise students**. Unfortunately, not all our staff live close to the school and, in certain circumstances, they may find it difficult or impossible to get to work.

The decision to close will only be made by the Headteacher, or her representatives, and **the Chair of Governors** and his representatives. Where possible, we consult other groups, such as Transport for London, the police and our Health and Safety officer.

In the event of snow, please check our website and twitter feed for updates. Please note that our switchboard is often overloaded with calls on these days and we may be unable to respond. We will send a **text message** to parents as soon as possible – please ensure that we have an up-to-date contact number. **If the school is closed, teachers may email work to students (especially Y11 & 13); please make sure your child checks their email and completes the work.**

In the event of snow, please ensure that **students are dressed appropriately for school with warm coats, hats, gloves and scarves**. In particular, our normal rules on school shoes will be relaxed. **Please ensure that your sons/daughters wear the shoes or boots that you think are the most suitable for them in the circumstances. They need to be weatherproof and have good grip in icy conditions.**

Partial Closure

In the event of **very heavy snow**, the school may have to open for a selection of students only or on a reduced timetable. In both cases, we will endeavour to inform parents via our website.

- Opening for students taking examinations
- Opening the school for certain years. Priority 1: Yr 13, Yr 11. Priority 2: Yr 10, Yr 12.

Alternatively, a slightly reduced timetable may run to allow for the greater travel time to and from school and to avoid travelling in the dark. On these occasions, study club would be cancelled.

Adapted school day

In the event of heavy snow, we may operate an adapted school day. We will, of course, endeavour to notify parents via our website, letters and text messaging.

	Start	Finish
Period 1	8.45	9.30
Period 2	9.30	10.15
Break	10.15	10.30
Period 3	10.30	11.15
Upper School Period 4/Lower School Lunch	11.15	12.00
Upper School Lunch/Lower School Period 4	12.00	12.30
Period 5	12.30	1.15
Period 6	1.15	2.00

This adapted day will allow us to keep all lessons, with a shortened break and lunch, and no tutor period.

The earlier finish will allow staff and students travelling time to get home safely during daylight hours and when the roads are less busy.
