

Uniform

It is very important that Greenford High School students wear their uniform with pride. We are preparing young people with the professional skills they need to be successful now but also in the future. We expect all students to wear full school uniform and be smartly dressed throughout the school day and when travelling to and from school

Please note that our expectations on school uniform are non-negotiable. It is not acceptable at any time for any child not to be wearing the full GHS uniform. School uniform will be checked on a daily basis by all staff – any student who is not correctly attired runs the risk of being sent home or getting a detention.

If there are any issues with the purchasing of the correct uniform for financial reasons, please contact the school as you may be eligible for some support.
