

Maths – recommended links

At Greenford High School, we have a large and wonderful Maths department who will help and support you.

Below are a few websites that our maths department recommend:

1. <https://myminimaths.co.uk/year-6-to-7-mini-maths/>

This is a great free website for the students to do a small amount of maths daily in preparation for some of the topics they will see in secondary school.

2. <https://mathsframe.co.uk/>

<https://www.mathsisfun.com/>

These websites have a large selection of games, puzzles and worksheets to keep you busy on developing your numeracy skills.
